****

2. Mr. Donsheng CHEN │ Chairman & CEO of Taikang Life Insurance Company Limited

Donsheng Chen is Chairman and CEO of Taikang Life Insurance, which he founded in 1996. Under his leadership, Beijing-based Taikang Life rapidly grew into China's fourth-largest life insurer and the country's only national life insurer with no direct government ownership. Prior to that, he founded China Guardian Auctions, China's first and largest fine art auction house, and ZJS Express, one of China's largest privately held package express delivery company and leading provider of logistical services. In 2001, he co-founded the prestigious Yabuli China Entrepreneurs Forum, a leading organization of business leaders. Mr. Chen is Vice Chairman of Insurance Association of China, Vice Chairman of China Association of Auctioneers, President of Hubei Chamber of Commerce in Beijing, Chairman of Global Chushang Association and President of Wuhan University Alumni Association in Beijing. Mr. Chen ranks 39th in the Fortune 2014 China's Top 50 Most Influential Business Leaders.

Taikang Life is China's fourth-largest life insurer and the country's only national life insurer with no direct government ownership. Taikang Life has three core businesses---life insurance, investment and senior care community, and it provides comprehensive products and services to nearly 30 million individuals and 250,000 institutions. It has a nationwide distribution network with 35 branches throughout major cities and over 4200 sales offices across the nation.

Total asset and net asset by Dec 31, 2013 was RMB 437.5 billion (US$ 70 billion) and RMB 24.3 billion (US$ 3.8 billion).

****

3. Dr. Qiwei CHEN │Founding Partner and Chairman of ABC Capital

Qiwei Chen is the Founding Partner of ABC Capital and Chairman of ABC Group. A well-known expert in international finance and investment banking in China, Dr. Chen is an advisor to China Development Bank and the Asian Development Bank. He is also a financial advisor to several provincial governments in China such as Heilongjiang Province and Chengdu City. In addition, Dr. Chen is a professor at the Antai College of Economics and Management at Shanghai Jiao Tong University and he serves on the governing boards of numerous professional associations including Chairman of the Private Equity Association of Shanghai, Chairman of Shanghai Entrepreneur Association, Council Member of China Entrepreneurs Forum, and Member of the Experts Committee for Corporate Governance of Shanghai Stock Exchange.

ABC Capital is one of the earliest asset management companies specialized in private equity and venture capital investment in China. It was established by ABC Group, one of the most recognized non-state owned financial service groups in China that provides M&A financial advisory management consulting to more than 400 public companies, big State-Owned Enterprises (SOEs) and municipal governments for over two decades. Their major areas of investment include healthcare, environmental protection and new energy, advanced manufacturing technology, and franchise chains. Over the past 13 years, ABC Capital has invested in more than 100 China-based companies, with nearly half exits through IPO and M&A. In 2014, ABC Capital was awarded "Top 10 PE/VC Firms of the Year 2013" by Zero2IPO, and the title of "Best Local Private Equity Firm in China" in 2008.

Asset Under Management is RMB 4 billion (US$ 641 million).

****

4. Mr. James Ding │ General Partner and Managing Director of GSR Ventures

James Ding is the General Partner and Managing Director of GSR Ventures, an early stage venture fund that focuses on technology, media and telecom investments in China. He co-founded NASDAQ-listed AsiaInfo Holdings, Inc., one of the earliest and most successful technology companies in China, and is currently co-Chairman of the Board of AsiaInfo-Linkage Inc. Mr. Ding has also served on the boards of numerous leading technology firms in China including NASDAQ-listed Baidu Inc., NYSE-listed NetQin Mobile Inc., a SaaS (Software-as-a-Service) provider of consumer-centric mobile Internet services that focuses on security and productivity, and Chi-Next Shenzhen-listed Huayi Brothers Media Corporation.

GSR Ventures is a venture capital fund that invests primarily in early and growth stage technology companies with substantial operations in China. GSR Ventures team brings together a unique combination of strong operating experience in China, extensive international investment experience, and deep networks in China and Silicon Valley. Their primary focus areas include

semiconductor, Internet, wireless, new media and green technology. It has developed partnerships with Mayfield Fund and has offices in Beijing and Silicon Valley.

Asset Under Management is over US$ 1 billion.

5. Mr. Fenglei FANG | Founding Partner and Chairman of Hopu Investment Management Company Limited

Fenglei Fang is the Founding Partner and Chairman of Hopu Investment Management. Prior to that, he was the Chairman of Goldman Sachs' Gao Hua Securities, the Bank's Chinese securities venture, and held office in the Ministry of Foreign Economy and Trade and Henan Provincial Commission of Foreign Economic Relations and Trade. A veteran China dealmaker, Mr. Fang was formerly Deputy CEO of China International Capital Corporation (CICC), CEO of Bank of China International, CEO of ICEA Finance Holdings, and a Partner at Goldman Sachs China. He has led and participated in many capital market mega deals such as China Mobile, China Telecom, China Unicom, PetroChina, Sinopec, China National Offshore Oil and Bao Steel Corporation. He also participated in the formation of China's first future exchange center – Zhengzhou Agricultural Products Future Exchange Center. Mr. Fang has been recognized as one of the "Top Ten Influential Leaders of China's Capital Market" by Financial Asia and he was also awarded "Asian Financial Service Development Outstanding Achievement" by Euromoney.

Hopu Investment Management is a leading private equity firm in China specializing in M&A investments with no specific industry preferences. It mobilizes foreign capital to invest in some of China's most high-profile state-owned firms and projects, which included the purchase of stakes in Bank of China and China Construction Bank from Royal Bank of Scotland and Bank of America, respectively. Hopu is one of the top five private equity fund managers headquartered in China. Its backers included Singapore's Tamasek Holdings and Goldman Sachs. It also advised on cross-border deals, leveraging the partners' deep connections, which differentiated Hopu from its regional competitors.

Asset Under Management is US$2.5 billion.

****

6. Dr. Fred HU | Chairman and Founder of Primavera Capital Group

Fred Hu is Chairman and Founder of Primavera Capital Group. He was formerly a Partner, Chief Economist for Greater China, and Chairman of Greater China at Goldman Sachs. He led some of the largest and most significant transactions in the firm's history. Dr. Hu is also a respected economist and has served as an economist at the International Monetary Fund. He is also a trusted policy adviser to the Chinese government on financial and pension reform, SOE restructuring, and macroeconomic policies. Dr. Hu sits on the Hong Kong Government's Strategic Development Committee and the Advisory Committee for the Hong Kong Securities and Futures Commission. In addition to holding several corporate directorships, he is Chairman of the Nature

Conservatory's China Board, a Trustee of the Yale-China Association, a director of the China Medical Board, a member of the Advisory Committees for the Harvard China Fund, the Stanford Center for International Development, and the Jerome A. Chazen Institute of International Business at Columbia University. Dr. Hu is also a co-director of the National Center for Economic Research at Tsinghua University.

Primavera Capital Group is a leading China-based investment firm focusing on private equity and special situation opportunities. Primavera manages both RMB and USD dollar funds for leading institutions, corporations, and families in China and around the world. It puts great emphasis on rigorous fundamental research and undertakes sophisticated analysis on economies, industries and companies to generate investment ideas, identify attractive opportunities, and guide its investment decisions. Primavera reportedly raised more than US$2 billion for its maiden fund. The firm has offices in Beijing and Hong Kong and has over 30 investment professionals with an outstanding track record.
